A hand-drawn envelope template. The envelope is a large rectangle with a triangular flap. Above the envelope, there are three circular icons: a location pin, an envelope, and a smartphone. To the right of each icon are two horizontal lines for writing.

The diagram illustrates a document layout with five rectangular boxes. At the top, there are two boxes, one on the left and one on the right, separated by a gap. Below these, there is a single long horizontal box. At the bottom of the layout, there is another long horizontal box, and centered below it is a small rectangular box. The entire layout is enclosed within a larger rectangular frame.
